We are a community working group focused on organics diversion, regional composting options and community partnerships. Our participants include local haulers, farmers, private industry, Cape Cod Cooperative Extension, County Health & Environment, municipal Health and DPW departments, restaurants and affiliated compost enthusiasts.

To be added to our contact list for future meetings, please contact Amy L. Alati at:
Phone: 508-375-6908 or Email: aalati@barnstablecounty.org
